This is to inform all banks, bureau de change operators and the general public that the Central Bank of West Africa (BCEAO), has issued an alert on the circulation of fake CFA notes. The fake notes in denominations of CFA10,000 which were recently discovered in Dakar, Senegal with serial numbers beginning with 0737836 ..... and ending with the letter D (ie. 0737836 .....D) are suspected to be already in circulation in countries within the sub-region including Nigeria.
